

American Tug

362

2021 Standards

Specifications

- + 36'6" Length Overall
- + 32'6" Length at waterline
- + 15'4" Height above waterline (to top of mast)
- + 13'3" Beam
- + 3'5" Draft
- + 18,700 lb. Displacement (dry)
- + 230 Gallon fuel capacity
- + 120 Gallon freshwater capacity
- + 45 Gallon waste capacity
- + Single Volvo 320 Hp

Pilot House

- + Captains chair, swivel and slide with armrests
- + Sapele overhead console
- + Intermittent windshield wipers with self-park and washing system
- + Lighted compass
- + Four hand grab rails, two each forward and aft of pilot house doors
- + LED lights throughout overhead
- + Defrost fan on console
- + 12v and 110v outlets
- + Stereo system with AM/FM/Bluetooth
- + Two stereo speakers
- + Four opening windows and screens
- + Sliding pilothouse doors with windows and screens
- + Large console with electronics
- + Hatch allowing access to engine room

Salon / Galley

- + Seftee converts to double bed with storage under
- + Salon table
- + Pleated day/night shades
- + Three opening windows with screens
- + Hatch allowing access to tank room
- + Propane, two burner stove / oven
- + 7.3 cubic feet refrigerator freezer
- + Microwave oven
- + Hard Surface countertop with stainless sink
- + Multiple 110v outlets
- + Drawers and storage cabinets
- + Cutting board custom fit to sink

Forward Stateroom

- + Center island queen berth, lifts for storage below
- + Cedar lined hanging locker to starboard and port
- + Reading lights at head of berth
- + Two round stainless steel ports with screens
- + 110v outlet and USB outlets
- + Ocean Air Sky Screen for Bomar hatch

Guest Stateroom

- + Double berth
- + Hanging locker and 2-drawer dresser
- + Reading lights at head of berth
- + One round stainless steel port with screen
- + 110v outlet and USB plug

Head

- + Fresh water 12v toilet
- + Vanity with storage and stainless sink
- + Large fiberglass stall shower
- + One round stainless steel port with screen

Interior Finish/Trim

- + Sapele paneling in pilothouse
- + Sapele valances in salon and pilothouse
- + Cabinets trimmed in solid Sapele
- + Overhead and walls in marine grade vinyl with foam backing
- + High quality snap-in carpeting

Heat/Air Systems

- + 1000w electric heater in salon
- + Hydronic furnace or air conditioning with reverse cycle heat

Mechanical Systems

- + 6kw Northern Lights generator
- + Side-power 6hp twin prop bow thruster with joystick control
- + Side-power 4hp stern thruster with joystick control
- + Side-power remote control (bow and stern thrusters)
- + Solar panel
- + Stainless steel prop shaft with dripless shaft seal
- + 4 blade propeller CNC-machined to class "S"
- + Composite rudder and skeg
- + Wet/underwater exhaust
- + Seawater strainer
- + Racor filter for main engine
- + Racor filter for genset
- + Automatic water pressure system
- + Sound deadening in engine and tank room
- + Three 2000gph bilge pumps with automatic float switches
- + Waste discharge system with macerator
- + Electronic shift and throttle system

Electrical System

- + Remotely controlled battery switching
- + AC/DC Distribution panel with backlighting
- + Battery combiner system for charging
- + Inverter / Charger (2000W)
- + Three 4-D AGM batteries for house (600amp hours)
- + One 4-D AGM battery for main engine start
- + 30amp shore power service with power cord
- + Electric horn
- + International navigation lights LED type
- + 12v LED courtesy lights throughout boat
- + 12v LED overhead lighting throughout boat

Steering System

- + Stainless Edson helm wheel
- + Autopilot valve system installed
- + SeaStar Hydraulic pump and cylinder
- + Integral rudder port with bearing and dripless seal

Tankage

- + Tank monitoring system for all tanks
- + 120 gallons water in FDA approved poly tanks
- + 11 gallon water heater with heat exchanger and 110v heat
- + Taste/odor filter for galley fresh water
- + 45 gallon waste tank
- + Two aluminum fuel tanks (230 gallons total) each with sight glass and valves

Deck

- + 316 Stainless steel two arm transom davit
- + 1-1/2" waste and water fittings
- + 2" fuel fills
- + 316 stainless steel 1-1/4" bow rails with stainless steel burgee staff
- + 316 stainless steel 1-1/4" sundeck rails and ladder
- + 316 stainless steel bow roller assembly
- + Bomar hatch in trunk cabin
- + Color matched powder coated aluminum framed and sliding or hinged doors
- + Access hatch to lazarette in cockpit
- + Seawater Washdown system in bow and cockpit
- + Swim Platform with stainless steel edge guard
- + Transom door
- + Six stainless steel fender cleats
- + Molded non-skid walking surfaces
- + Molded fiberglass mast
- + Propane locker in cockpit
- + Molded fiberglass deck box on bow
- + Full overhang over cockpit with ladder and hatch to upper deck

Safety and Mooring

- + Generator spare parts kit
- + Main engine spare parts kit
- + Two portable fire extinguishers
- + Four fenders and mooring lines
- + 44lb anchor
- + Auto fire extinguisher in engine room with auto engine shut-down system
- + Lofrans Project 1000 anchor windlass 1000w/12v with 50' of 5/16" H.T. galvanized chain and 200' 9/16" line.

Hull

- + 10-year limited warranty (workmanship and blisters)
- + Solid hull laminate
- + Black hull-guard with stainless steel insert
- + Black anti-fouling paint (two coats)
- + Painted boot stripe
- + Molded composite skeg protects props and supports rudder

Electronics

- + Garmin Package
 - Dual 12" MFDs
 - GMR 18 xHD Radar
 - VHF w/AIS receiver
 - GPS antenna
 - Transducer
 - VHF antenna
