

American Tug 365

2021 Standards

Specifications

- + 36'6" Length Overall
- + 32'6" Length at waterline
- + 15'4" Height above waterline (to top of mast)
- + 13'3" Beam
- + 3'5" Draft
- + 18,700 lb. Displacement (dry)
- + 400 Gallon fuel capacity
- + 120 Gallon fresh water capacity
- + 45 Gallon waste capacity
- + Single Cummins 380 Hp

Pilot House

- + Ultraleather covered seating for four with electric sliding helm seat, storage drawers under seats
- + Sapele overhead console
- + Intermittent windshield wipers with self park and washing system
- + Lighted compass
- + Chart storage compartment
- + Four hand grab rails, two each forward and aft of pilot house doors
- + LED lights throughout overhead
- + Red lights over chart table for night navigation
- + 12v and 110v outlets
- + Stereo system with AM/FM, Bluetooth
- + Two stereo speakers
- + Six opening windows and screens
- + One round stainless-steel port with screen
- + Sliding pilothouse doors with opening windows
- + Large console for custom electronics installation
- + Hatches allowing access to engine room

Salon

- + Custom Ultraleather settee converts to double bed with storage under
- + Salon table with adjustable pedestal
- + Two stereo speakers
- + Pleated day/night shades
- + 110v outlet
- + Three opening windows with screens
- + Hatch allowing access to tank room

Galley

- + 3 burner propane stove and oven
- + Upright Nova Kool Refrigerator/Freezer (freezer on bottom, 7.3 cu.ft.)
- + Microwave oven above refrigerator
- + Hard Surface countertop with stainless double sinks
- + Multiple 110v outlets
- + Four drawers and four storage cabinets
- + Cutting boards custom fit to sink

Stateroom

- + Center island queen berth (76"L x 57" W - tapered at foot)
- + Four drawers under berth
- + Cedar lined hanging locker to starboard
- + Locker with shelf to port
- + Reading lights at head of berth
- + Three-way switching for overhead lights
- + Two round stainless steel ports with screens
- + 110v outlet
- + Ocean Air Sky Screen for Bomar hatch

Head

- + Fresh water 12v toilet
- + Vanity with storage and mirrors with stainless sink
- + Large fiberglass stall shower with door
- + Sapele and Maple sole
- + One round stainless steel port with screen

Interior Finish/Trim

- + Sapele paneling in pilothouse
- + Sapele valances in salon and pilothouse
- + Cabinets trimmed in solid Sapele
- + Overhead and walls in marine grade vinyl with foam backing
- + High quality carpet and padding

Heat/Air Systems

- + 1000w electric heater in salon
- + 750w electrical heater in stateroom (silent running)
- + 28,000 btu, reverse cycle heat/air conditioning system (East Coast model) OR, diesel furnace (West Coast model)

Mechanical Systems

- + 6kW Northern Lights genset with sound shield
- + Side-power 6hp twin prop bow thruster with joystick control
- + Side-power 4hp stern thruster with joystick control
- + Side-power remote control (bow and stern thrusters)
- + Stainless steel prop shaft with dripless shaft seal
- + 4 blade propeller CNC-machined to class "S"
- + Composite rudder and skeg
- + Wet/underwater exhaust system on main and genset
- + Seawater strainers for main and genset
- + Racor filter for genset
- + Dual Racor filters for main engine
- + Oil changing system (main, gear, genset)
- + Automatic water pressure system
- + Sound deadening in engine room and tank room
- + Three 2000gph bilge pumps with automatic float switches
- + Waste discharge system with macerator
- + Electronic shift and throttle system

Electrical System

- + Remotely controlled battery switching
- + AC/DC Distribution panel with backlighting
- + Inverter / Charger (2000W)
- + Battery combiner system for charging
- + Battery charger
- + Three 4-D AGM batteries for house (600amp hours)
- + One 4-D AGM battery for main engine start
- + One group 24 battery for generator start
- + 12v power buss in overhead console
- + 30amp shore power service with power cord (two if air conditioned)
- + Defroster system for windshield
- + Dual trumpet air horn
- + International navigation lights LED type
- + 12v LED courtesy lights throughout boat
- + 12v LED overhead lighting throughout boat

Steering System

- + Stainless Edson helm wheel
- + Autopilot valve system installed
- + Seastar Hydraulic pump and cylinder
- + Integral rudder port with bearing and dripless seal

Tankage

- + Tank monitoring system for all tanks
- + 120 gallons water in FDA approved poly tanks
- + 11 gallon water heater with heat exchanger and 110v heat
- + Taste/odor filter for galley fresh water
- + 45 gallon waste tank
- + Two aluminum fuel tanks (400 gallons total) each with sight glass and valves

Deck

- + 316 Stainless steel two arm transom davit
- + 1-1/2" waste and water fittings
- + 2" fuel fills
- + 316 stainless steel 1-1/4" bow rails with stainless steel burgee staff
- + 316 stainless steel 1-1/4" sundeck rails and ladder
- + 316 stainless steel bow roller assembly
- + Bomar hatch in trunk cabin
- + Color matched powder coated aluminum framed and sliding or hinged doors
- + Access hatch to lazarette in cockpit
- + Seawater Washdown system in bow and cockpit
- + Swim Platform with stainless steel edge guard
- + Transom door
- + Six stainless steel fender cleats
- + Molded non-skid walking surfaces
- + Molded fiberglass mast
- + Propane locker in cockpit
- + Molded fiberglass deck box on bow
- + Full overhang over cockpit with ladder and hatch to upper deck

Safety and Mooring

- + Generator spare parts kit
- + Main engine spare parts kit
- + Two portable fire extinguishers
- + Four fenders and mooring lines
- + 44lb anchor
- + Eight stainless steel mooring cleats
- + Auto fire extinguisher in engine room with auto engine and generator shut-down system
- + Lofrans Tigres anchor windlass 1500w/12v with 275' of 5/16" H.T. galvanized chain
- + Ships bell

Hull

- + 10-year limited warranty (workmanship and blisters)
- + Solid hull laminate
- + Black hull-guard with stainless steel insert
- + Black anti-fouling paint (two coats)
- + A vivid array of colors available for hull, included in base price
- + Painted white boot stripe
- + Molded composite skeg protects props and supports rudder
